Facing north east, checkout the evidence tag.  
Listen to the tour guide and look at the video extract.

1. What advantages are there to employ robots to spray paint the van rather than humans? How does this benefit the employees, Ford and Ford's customers?
2. Why do humans still have to do some of the painting?
3. Why do you think that the robot 'arm' needs a fabric 'sleeve' ?

Click the 'ge 1' (Gathering evidence 1) button to the left of the map in the bottom right hand corner and you will return to the Gathering evidence 1 list of employers.
