Throughout the plant there are 'rest areas' for employees to sit during their breaks. Some areas are larger than others and have more facilities.

1. What would you provide for employees in a rest area? Can you find out what the employer must provide according to law?

Checkout the evidence tab and listen to the tour guide describe the shift work hours at Ford.

2. List the advantages and disadvantages of working in shifts from the point of view of the employee and the employer.
3. What would you prefer to work, shift hours or normal office hours?
4. How can an employer make shift work more attractive?

Click the 'ge 2' (Gathering evidence 2) button to the left of the map in the bottom right hand corner and you will return to the Gathering evidence 2 list of employers.
