

Application of the VIEW resource to the Applied GCSE for Science

Evidence from Eli Lilly was collected to support teachers delivering the Applied GCSE for Science by providing students with access to the working labs at the Erl Wood site.

Access to Eli Lilly offers an opportunity to interview 50 employees including the managing director. The following list indicates who is available for interview and where they may be found.

Name	Title	Located at
Isaac	Security Officer	Front gate
Stacey	Travel and Site Tours Associate	Outside Manor House
Sheila	Environmental Advisor in the Occupational Health, Safety and Environment Group.	Outside Manor House
Paul	Managing Director of the Eli Lilly Research Centre at Erl Wood	Administrative offices, Manor House
Doreen	Assistant to the Managing Director of Eli Lilly at Erl Wood	Administrative offices, Manor House
Ian	Human Resources Manager	Administrative offices, Manor House
Josey	Financial Manager	Administrative offices, Manor House
Emily	Financial Analyst	Administrative offices, Manor House
Andy	IT Officer	Administrative offices, Manor House
Bert	IT Manager	Administrative offices, Manor House
Ian	Director of European Patent Operations	Administrative offices, Manor House
Dominique	Executive Director of Corporate Affairs	Administrative offices, Manor House
Sue	Executive Director of European Regulatory Affairs	Administrative offices, Manor House
Thirani	Senior Clinical Development	Administrative

	Associate.	offices, Manor House
--	------------	----------------------

Tanja	Conference Centre Manager	Administrative offices, Manor House
Karen	Conference Support Analyst.	Administrative offices, Manor House
Colin	Manager for Site Services	Administrative offices, Manor House
Ian	Executive Director of Neuroscience Research for Europe	Administrative offices, Manor House
Richard	General Catering Manager	Link Lobby
Paul	Team Leader for the Information Centre	Link Lobby
Nikki	Sample Management Centre - Team Leader	Link Lobby
Keith	Research Leader for the Analytical Technologies Group	Lab 1
Nicolas	Research Chemist	Lab 2
Manisha	Medicinal Chemist	Lab 2
Martine	Senior research scientist in medicinal chemistry	Lab 2
Marie	Analytical Chemist	Lab 3
Michael	Senior Research Scientist in computational chemistry.	Lab 4
Sandra	A computational chemist	Lab 4
Marcus	An industrial placement student.	Lab 5
Ian	Team Leader for the Synthetic Technologies Group.	Lab 6
Niall	Research Chemist	Lab 7
Aderonke	Sample Management Officer	Lab 8
Non	Research Pharmacologist in Molecular Biology.	Lab 9
Peter	A Research Scientist in the Target Enablement Group	Bioinformatics Office, Lab 9
Suchira	Research Scientist	Lab 10
Ruth	Team leader for the cell biology cell provision group	Lab 11
Liz	Biologist	Lab 11
Sarah	Biologist in the target cell technologies team	Lab 11
Tristan	Electrophysiologist	Lab 12
Lisa	Research Scientist	Lab 13

Helen	Scientist	Lab 14
Richard	Senior Technician	Lab 14
Mark	Senior Technician	Lab 15
Michael	Team Leader in the Research facility	Lab 15
Stephen	Principal Research Scientist	Lab corridor O4
Mark	Director of invivo Neuroscience	Lab corridor O1
Sandy	Research Leader and Advisor	Lab corridor O3
Anne	Manager of Group Discovery Operations	Lab corridor O2
Alex	Project Engineering Group Leader	Close to the construction area at the rear of the labs
Richard	Engineering Manager	Close to the construction area at the rear of the labs
