A VIEW of Ford: The Occupational Therapy Unit

These instructions are intended only as a guide to help locate work based evidence. At each step the user is advised to look around, read any narrative, pickup on timelines and hotspots and listen to any contribution made by the tour guide.

The tour is not intended as material for students directly. It is to help teachers and others familiarise themselves with part of the virtual workplace and to use in any way in developing classroom based materials.

FutureVu welcomes contributions by those who have developed their own 'tours' and classroom resources. Email copies to info@futurevu.com and we will post contributions to the website with full acknowledgement.

Direction / Instruction	**Question / Look out for…**
Enter Ford through the main gate Stay outside A Building and rotate right to face south-east. Move ahead (south-east) and continue around the edge of the building towards B and C Building. Move ahead (south-east) again. Move ahead (south-east) once again. Move ahead (east) towards B and C Building Move ahead (east) again Move ahead (east) again Move ahead (east) once again past B Building Facing east…	… the Occupational Therapy Unit is in the grey building in the distance. Click on the door to enter. Rotate left to view and explore some of the leaflets on display. Explore the Physiotherapy area Explore the 'treatment' areas, equipment and an interview with Paul, an Occupational Health Nursing Officer
